## State Office

I am honored to continue my service as the advisor to the Hawaii State Student Council and the Student Representative to the Hawaii State Board of Education. I have been with the Department of Education for 22 years and have enjoyed every minute of it while working with the best public school students from preschool to high school on the island of Oahu. I am also the Ed Officer of the Student Activities Program and am proud to represent all of the hard working SACs across the state.
